

INDUSTRIAL | **EWING**[®]

Ewing is prepared to provide you with the quality products needed to complete your next industrial project. Ewing is an experienced supplier, serving a diverse assortment of clients with a broad spectrum of industrial applications. Our network of established relationships includes spa manufacturers, dairies, universities, aquatic systems (fish farming and research facilities/hatcheries), nurseries, and water theme parks. From PVC, CPVC, and HDPE pipe and fittings to flow meters, chemical feed pumps, and backflow devices, Ewing carries quality products you can trust. We've partnered with over 40 premier manufacturers to provide the quality products and support you need, including Advance Drainage Systems® (ADS), Amiad, Flowline, Chem-Tainer, GF Signet, Kasco Marine®, Harvel, Walchem, Hayward®, and more. With multiple branch locations, our strength lies in supporting and supplying projects, large and small.

ANYWHERE FLUID FLOWS

Ewing provides quality materials for water/wastewater treatment plants, original equipment manufacturers (OEM's), golf courses, hospitals, food processing plants, and chemical manufacturing plants. Ewing also serves pool contractors, dairy construction, mechanical contractors, plumbing contractors, and cooling tower maintenance contractors.
