

Plastic Valve and Meter Boxes

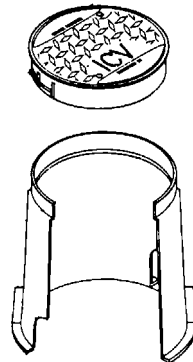

Carson Products, Inc. valve and meter boxes are manufactured of structural foam plastics which feature high stiffness-to-weight ratio, outstanding dimensional stability and long-lasting. Structural foam is a good sound, heat and electrical insulator, equal to concrete, and significantly better than solid plastics or metal.
Regional distribution.

CARSON INDUSTRIES LLC HosEnclose

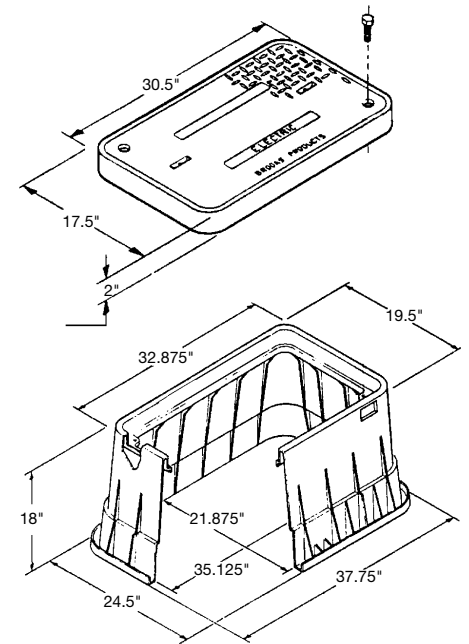

Conveniently stores a garden hose just below ground level and consists of a high-density polyethylene enclosure, a 50-ft. coiled garden hose, a spray nozzle and PVC plumbing, all provided in one complete package. HosEnclose is installed below ground level anywhere in the yard with only the lid exposed. When closed, the lid will support foot traffic.

The PVC plumbing assembly (piping and water valve) is all built-in, ready for connection to a water line. Adding one or more to a landscape irrigation system is simplified with the included 1/2" PVC union connector. HosEnclose is backed by a 5-year limited warranty, excluding hose and nozzle.

ITEM	DESCRIPTION
38002510	STAND GREEN HOSENCLOSE W/50FT

Armour Valve Boxes

Armour 12" Rectangular
Meter Box

Armour valve boxes are ideal for residential and commercial valve box applications. The molded green color blends in with turf. Armour boxes are lightweight and easy to handle. They are made of tough thermoplastic material especially suited for underground use.

- 6" round with lid (6.5" dia x 9" ht.)
- 10" round with lid (9" dia x 10" ht.)
- 12" rectangular meter box
- Jumbo valve box (18" x 24" x 12" ht.)
- 3" & 6" extensions

Econo Valve Boxes are regionally distributed. Please check with your local Ewing Branch for availability.
