

W

hat is your idea
of a good supplier?

Does your current supplier offer...

Job Tracking

The ability to see what products, cost and crew were on a particular job?

Product Availability

The products you need when you need them, and being able to pull products from 175+ branches?

Ordering

The ability to order your products for jobs 24hrs. a day, 365 days a year through our website www.ewing1.com, and receive a non-hand written order?

Service

Prompt, on-time, statewide and usually free deliveries from our knowledgeable and courteous staff?

Now ask yourself...

***Does my First Class business
deserve a Second Rate supplier?***

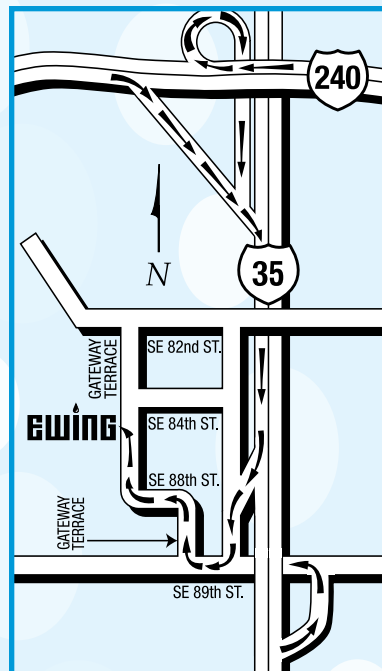

Call (405) 631-9530 and let

EWING

answer that question for you.
