FOR IMMEDIATE RELEASE

Ewing's Aurora Location under New Management

June 6, 2007, Phoenix, AZ— Ewing Irrigation, Golf & Industrial has appointed Megan Thomas as Manager of its Aurora, CO facility, located at 2250 S. Fraser St.

Prior to her recent appointment, Thomas served as a counter sales representative for Ewing's Tulsa, OK location. Her responsibilities included shipping, receiving, stocking, and delivering, as well as a brief stint in sales.

Thomas looks forward to the challenges of her new role at Ewing, as well as managing day-to-day operations to ensure that her team is constantly proactive in their marketing approach.

"I am anxious to see this store grow. It is exciting to get familiarized with the Colorado region, and to meet new people after having worked in Oklahoma. So far, every day has been an adventure," stated Thomas.

A University of Arkansas graduate, Thomas holds a degree in Turf & Landscape Horticulture, with an emphasis in Turf. She is also looking forward to becoming more involved with the Associated Landscape Contractors of Colorado (ALCC).

Ewing Irrigation offers commercial and residential irrigation supplies, landscape and agronomic products, water management solutions, low-voltage lighting, erosion control, water features and industrial plastics to professionals serving the landscaping, turf, golf, and industrial industries. Ewing offers more than 170 convenient locations from coast to coast.
